

Recycling Deposit Insurance

Preliminary

In fulfilment of the manufacturer's obligations under Article 6 paragraph 3 of the Electrical and Electronic Equipment Act to show proof of a guarantee against insolvency for taking back and disposing of certain electrical and electronic products, the insurance customer is taking out with Great Lakes Reinsurance (UK) plc (hereinafter called GLUK) an electrical scrap recycling deposit insurance policy for the type of product and for the period of time and guarantee amounts stated in the policy, which is subject to the following

Insurance certificate no.:

Insurance customer:

Beneficiary / trustee:

Type of product:

Object of the insurance policy:

In guarantee cases as defined by the competent authority or by the Waste Electrical Equipment Register (EAR) Foundation by a written communication to the GLUK, the deposit insurance to the trustee for fulfilment of the insurance customer's liability obligations within the meaning of Articles 10 *et seq.* of the Electrical and Electronic Equipment Act, up to the stated guarantee amount, with a waiver of any rights of objection on the grounds of disputability, off-set or prior suit.

The guarantee case arises when the last manufacturer (of the type of product defined above) who has decided in favour of an obligation in accordance with his share of the market for new products of each kind (see Article 14 paragraph 5 sentence 3 item 2 of the Electrical and Electronic Equipment Act), leaves the market, or falls into insolvency, i.e. when his share of the market has fallen to zero.

Guarantee amount:

Geräteart:					
Marke	Menge in Tonnen in der Policenlaufzeit (Registrierungsgrundmenge)	Rücklaufquote in Prozent	Entsorgungskosten in Euro je Tonne	Voraussichtliche mittlere Lebensdauer in Monaten zzgl. Nachhaftungsfrist von z.Zt. 12 Monaten	Garantiebetrag in Euro

Guarantee period / Policy period:**Period for liability cover:****Policy issued through:**
